

SUMMER CAMPS!

INSPIRING THE NEXT GENERATION OF ENGINEERS

DISCOVER AND EXPLORE
SCIENCE, TECHNOLOGY, ENGINEERING AND MATH

AGES 4-7 | 4 DAY CAMP | 9:30AM TO 12PM

Early bird—Enroll by June 16th—\$175

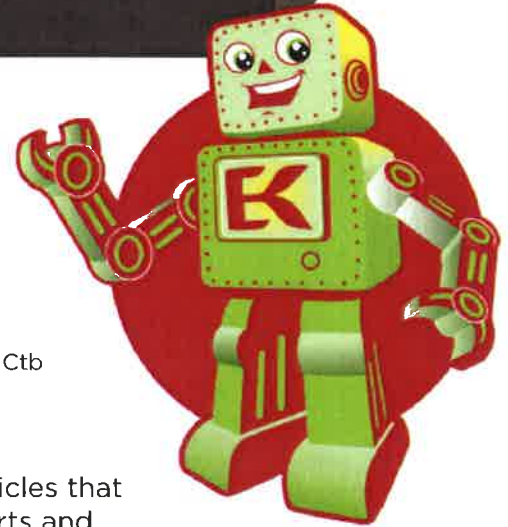

After June 16th—\$210

July 18-21 | Inventor's Workshop

Prepare for a week of fun, creativity, and of course—engineering! Students will invent new machines and explore creative design solutions using the Engineering Design Process. Discover how a wind-up toy works and design your own robot inside the Engineering For Kids Inventor's Workshop.

ENROLL NOW!

July 25-28 | Engineering of Travel

Families enjoy traveling, and engineers invent and design the vehicles that make it possible. During this camp, students will get their passports and travel to a new country, every day making something different. At the end of the week, they will have built several different means of travel and have a passport full of culture!
